Continuation of Attachment(s) 3. Information Disclosure Statements (PTO/SB/08), Paper No./Mail Date: 12-21-2007; 1-24-2008.

***Information Disclosure Statement***

1. The information disclosure statement filed December 21, 2007 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each cited foreign patent document; each non-patent literature publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. It has been placed in the application file, but the information referred to therein has not been considered.
2. The information disclosure statement (IDS) submitted on January 24, 2008 was filed after the mailing date of the Notice of Allowability on September 27, 2007. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

***Allowable Subject Matter***

3. Claims 16, 18-19 and 21 are allowed.
4. The following is an examiner's statement of reasons for allowance: The closest prior art of record, which includes the combination of Kondo, USPN 6,370,546 B1 and Oberlander et al., USPN 5,825,865 A, fails to teach or suggest a user computer or portable playback device signaling a network server with a code upon disconnecting a portable playback unit and the code indicating to the network server that the portable playback device is in the field, i.e. disconnected. In the same field of endeavor, Watts et al., USPN 6,151,646 A taught a portable computer signaling a network server or docking station that the portable playback device is disconnected. In this arrangement,

the network server and docking station is the same device. Thus, upon decoupling of the portable computer and the docking station (or network server) another network server is not notified. In applicant's invention, the network server functions to receive and process emails.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Patrice Winder whose telephone number is 571-272-3935. The examiner can normally be reached on Monday-Friday, 10:30 am-7:00 pm.
